IT'S PAVING TIME!!***

Please see attached map, provided by the contractor, for the paving schedule. The schedule of work is as follows:

TUESDAY, MAY 14 – All milling to be completed, **GREEN** (*Quail Walk Dr., Lost Creek Ct., Bent Oak Trail, & Buttonwood Cir.*) and **BLUE** (*Glens Entrance/Exit & Leatherwood Dr.*) sections on the map. Start paving **GREEN** sections on the map. NO cars should be parked on the streets*. One lane shall be left open for access while paving.

WEDNESDAY, MAY 15 — Paving **BLUE** section on map, NO cars should be parked on the streets*. One lane shall be left open for access while paving.

THURSDAY, MAY 16 – Install stop bars, RMP's, and clean up any related debris.

The intent of the paving contractor is to keep one lane open at all times on the streets being paved. Access might be somewhat inconvenient but will be possible. We ask your patience for Monday, Tuesday and Wednesday. If the paving schedule is changed at the last minute due to weather, a notice will be posted with the new schedule at the Glens entry.

***IMPORTANT ITEM TO NOTE:** NO CARS CAN BE PARKED ON ANY OF THE STREETS DURING THE PAVING OPERATIONS. IF A CAR IS LEFT ON THE STREET, IT WILL HAVE TO BE TOWED AND AT THE OWNER'S EXPENSE. TOWING COMPANY AND FEE TO BE DETERMINED.

THANK YOU FOR YOUR COOPERATION.
